Ahimed Chiro

Security Analyst

Profile

Enthusiastic and dedicated Computer Science student with a strong academic background in algorithms, data structures, and programming languages. Experienced in web development and Cyber Security with a passion for solving complex problems and learning new technologies. Eager to leverage academic foundation and hands-on experience in software development, artificial intelligence, cybersecurity to contribute effectively to innovative projects. Proven ability to work collaboratively in team environments and adapt quickly to new challenges in the field of computer science.

Work Experience

Information Security Analyst I

Ethiopian Electric Power 14 Aug 2024-current
as an Information Security Analyst I, I will play a crucial role in safeguarding our organization's computer systems and networks. I will monitor our systems for security breaches, conduct regular security assessments, and provide recommendations for enhancing our information security infrastructure. You will work closely with our IT team to implement security measures and ensure compliance with company policies and industry regulations.

Education

Bachelor of Science in Information Systems

Haramaya University

Nov, 2018-Oct, 2021
